ANNOUNCEMENT
FOR FOREIGN NATIONAL INTERNSHIP OPPORTUNITIES
WITH THE U.S. MISSION IN RABAT

Announcement number: 07-23

Cloud Web Developer

OFFICE/LOCATION:	Information Resource Management (IRM)
WORK HOURS:	20-40 hours per week (flexible days/hours)
STARTING DATE:	Fall session: Start date September (Deadline June 2, 2023)
DURATION:	8 weeks
CLOSING DATE:	Until filled

OPEN TO: Moroccan or other Non-U.S. Citizen students, with a valid permanent residence permit for Morocco, who are currently, **enrolled at least half-time at a University, school, or institute in Morocco.**

Students must be at least 18 years.

The U.S. Embassy in Rabat is seeking eligible and qualified applicants for **a Cloud Web Developer** intern position within the IRM Section.

Overview:

The Foreign National Student Intern Program was developed in compliance with U.S. law and in conformance with local law and customs. The Foreign National Student Intern Program is designed for students who are non-U.S. citizens seeking internships with U.S. Missions abroad. The program benefits both posts and students by providing the foreign national students with valuable educational experience in U.S. Missions and by assisting posts in accomplishing their mission goals. The purpose of the Foreign National Student Intern Program is to offer students the challenge of working in a foreign affairs arena and at the same time profit by their assistance.

There are no benefits attached to this internship and no compensation, nor any future employment rights.

The final offer of internship and starting date will be contingent upon, but not limited to, the following: satisfactory review of your suitability, ability to obtain applicable Security and Medical clearances and certifications.

BASIC FUNCTION:

- Full stack Web Development programming skills.
- DBMS development skills.
- Familiarity with Cloud computing technologies and Containers such as Docker and LXC.
- Familiarity with Kubernetes.
- Analyze embassy section challenges and develop process diagrams.
- Automate embassy processes.
- Provide metrics and various forms of reporting.
- Document Standards Operation Procedures.

QUALIFICATIONS REQUIRED:

Education/Background: 2nd Year at a vocational school in software development or 3rd Year at a university in software development.
Language Proficiency: Level 4 in both spoken and written English is required**.**

Skills and Abilities:
- Knowledge of Information Technology.
- Programming Skills in any computer programming language.
- Familiar with Cloud Computing such as Microsoft Cloud, Web Development, use cases, and Application development to solve business problems.

APPLICATION PROCEDURES:

Application language is English. Interested applicants should submit:

- A Statement of Interest describing the applicant's objectives and motivations in seeking internship with the US Mission. Blank form is attached with this announcement. (Please specify in the application the period of internship **Fall**)
- A copy of academic standing
- A written permission from educational institution
- Documentation of legal residency in Morocco
